

International Handball Symposium in Japan

A number of the school's sports teams participated in the 2019 International Handball Symposium in Japan, which was held in Tokyo from 1st to 3rd October. The event was a great opportunity for the school's handball team to compete against other international teams. The school's handball team performed well and was able to secure a victory over their opponents. The school's handball team is proud to have participated in this international event and to have achieved such a success.

SBS SBA Challenge

The SBS SBA Challenge is a program that aims to help students develop their leadership skills. The program is designed to help students learn how to work in a team, how to communicate effectively, and how to solve problems. The program is a great opportunity for students to learn from each other and to develop their leadership skills. The school is proud to offer this program to its students and to support their growth and development.
